WHAT WE DO

Individual Grants

Variety provide life-changing support to children and families facing physical, mental or emotional challenges. Through our grants programs, we fund essential items that help children aged 0-18 access the care, support and resources they need to thrive.

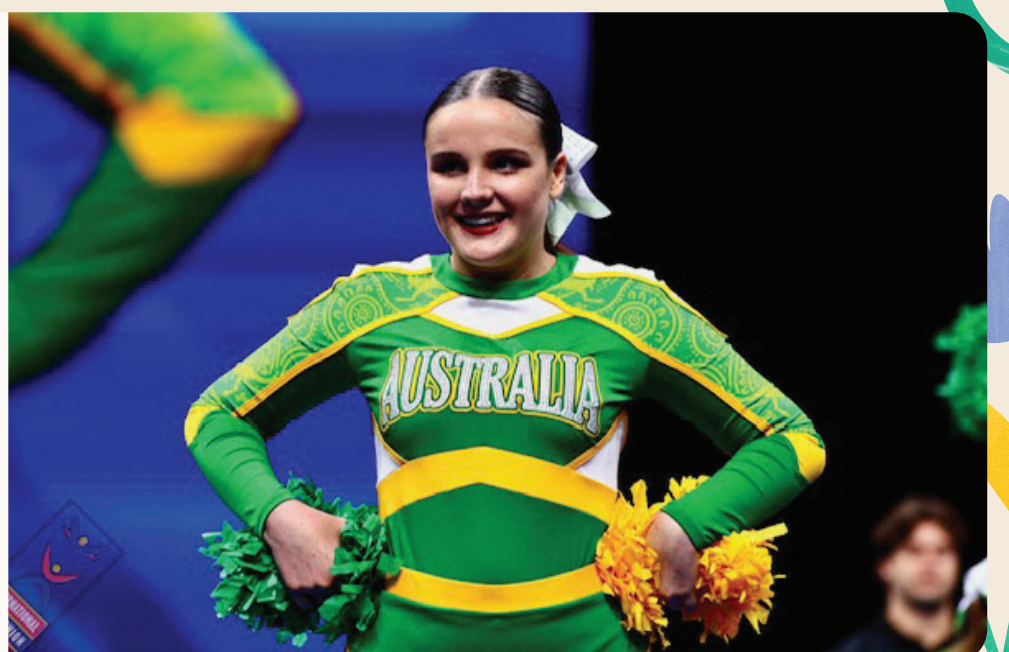

Organisational & Community Grants

Variety provide grants to schools, not-for-profit organisations and community groups to help deliver programs and improve environments for children who need it most.

Scholarships

Supporting young people aged 8-17 who are living with a disability, chronic illness, geographic isolation or financial hardship and have an existing talent in sport or the arts. These scholarships provide funding to help them pursue their goals and reach the next stage of development in their chosen field.
